

MANNERS-UP[®]

**Help Us Prove that
Manners Still Matter!**

Sponsored by

**This program
lets sponsors work
hand in hand
with their
local schools
to generate
MANNERS
AWARENESS
and ensure that
the next
generation
understands that
MANNERS
STILL MATTER!**

Here's How It Works...

Sponsors purchase, from you, either 500 or 1000 purple MANNERS-UP silicone wristbands. The wristbands are printed with the MANNERS-UP logo on one side and the sponsor's logo on the other side. Both logo imprints will be in white. In addition to the wristbands, the sponsor will receive an equal number of certificates that can be personalized and will feature the sponsor's logo.

These items will be provided in a program packet that includes "Q & A Forms" and "How to Run the Program" info for the school. It's a turnkey program that you can drop off, or direct ship, to the school and your sponsor receives recognition on the wristbands, the certificates and the MANNERS-UP website. A great program for the schools and a positive way to promote an organization. WIN-WIN.
